#### About iSignthis Ltd (ASX: ISX | DE\_FRA: TA8)

Australian Securities and Frankfurt Stock Exchange listed iSignthis Ltd (ASX: ISX | FRA: TA8) is the global RegTech leader in remote identity verification, payment authentication with deposit taking, transactional banking and payment processing capability. iSignthis provides an end-to-end on-boarding service for merchants, with a unified payment and identity service via our Payidentity™ and ISXPay® solutions.

By converging payments and identity, iSignthis delivers regulatory compliance to an enhanced customer due diligence standard, offering global reach to any of the world's 4.2Bn 'bank verified' card or account holders, that can be remotely on-boarded to meet the Customer Due Diligence requirements of AML regulated merchants in as little as 3 to 5 minutes.

**iSignthis Payidentity** service is the trusted back office solution for regulated entities, allowing merchants to stay ahead of the regulatory curve, and focus on growing their core business. iSignthis' subsidiary, iSignthis eMoney Ltd, trades as ISXPay®, and is an EEA authorised eMoney Monetary Financial Institution, offering card acquiring in the EEA, and Australia.

**ISXPay** is a principal member of Visa Inc, Mastercard Inc, Diners, Discover, (China) Union Pay International and JCB International, an American Express aggregator, and provides merchants with access to payments via alternative methods including SEPA, Poli Payments, Sofort, Trustly, WeChat, AliPay and others.

**Probanx Information Systems Ltd (Probanx)**, a wholly owned subsidiary of iSignthis Ltd, is an international banking software company which has been serving the banking industry since the year 2000 by developing comprehensive banking software solutions to financial institutions around the globe. Probanx offers web-based banking solutions using the latest technology and international standard business rules. Our customers are located on five continents and supported from our technical centres in Europe and Australia.

iSignthis' Probanx delivers core banking software, including a fully comprehensive and versatile banking solution for retail, corporate and private banks, emoney and payment institutions, offering capabilities that up until now were affordable only by large commercial banks.
